(1st April 2023 to 31st March 2024)

SADANLAL SANWALDAS KHANNA GIRLS DEGREE COLLEGE, PRAYAGRAJ

1. Introduction: (Brief History + Highlights; each in 3-4lines)

OUR VISION:

To help the girl students discover their innate potentials and promote them towards their personal and social benefits. The college believes in and teaches the philosophy of UBUNTU, which simply translated means, "I am because We are "How can one be happy when the others are sad?" Let all of us always have this attitude and spread happiness wherever we go. Let's have a "UBUNTU" Life.....

OUR MISSION:

- To provide quality education for all round development of the students to make them better citizen.
- To provide monetary support for the education of girls belonging to the lower and middle sections of society as well as minority classes.
- To provide monetary support for the education of girls belonging to the lower and middle sections of society as well as minority classes.
- To make the girls students independent & self-reliant.
- To undertake future courses and training programmes in order to make them economically independent.

It is our firm conviction that education is vital to women's equality, empowerment and all round growth and development. Our founders Late Mr. S. N. Kakkar, Prof. D.D. Khanna and Mr. Ashok Mohiley were committed to girls' education. They founded the S.S. Khanna Girls' Degree College to impart quality education to girls' from economically and socially backward sections of society. The college starting with humble beginning in 1975 and today is a premier constituent college of the University of Allahabad. The college has five faculties: Arts, Science, Commerce, B.Ed. and Legal Studies.

In 2016 during the XIIth Plan period, the University Grants Commission conferred the college status of "College with Potential for Excellence (CPE-Phase II)". At present the college runs professional courses in Office Management and Secretarial Practices, Computer „O" Level and One Year Diploma course in Biotechnology. Looking into the interest and skill development of girl students, the college has also started Diploma in Fashion Designing (UGC Approved) in 2020.

In order to enhance the teaching- learning process the college has provision of smart classrooms, high speed internet connectivity and well equipped air conditioned library with Delnet facility. In 2019, the college has been selected under strengthening component of Star College Scheme (DBT). In 2020 during the 3rd Cycle of Accreditation by National Assessment and Accreditation Council, the college has been again accredited with A" Grade (CGPA of 3.09 on four point scale).

In the session 2020-21, under the guidelines of the Innovation Cell, Ministry of Education (MIC), Institution's Innovation Council (IIC) has been constructed, to systematically foster the culture of innovation and start-up ecosystem in the college. In February 2022, college has registered itself for Vidyanjali -he scheme.

The College has been sanctioned DST- CURIE grant by the Ministry of Science & Technology, Government of India. Under the Scheme, "Consolidation of University Research for Innovation and Excellence in Women Universities (CURIE)" of the Department of Science & Technology (DST), Government of India, three departments of the college Chemistry, Botany and Zoology will receive research funding from DST. The five-year tenure of "College with Potential for Excellence (CPE-Phase II)" has been completed in March 2022. In the session 2022-23, College has also successfully submitted the report for ARIIA ranking. College has started D.Phil in three new subjects namely, English, Medieval History and Education. During this session, the college has taken initiative to start various new add on courses like Certificate course in Academic Writing, Creative Painting, etc.

During the session 2023–24, the college added research project, research program, and IKS Wiki Intern Project to its portfolio of research. These accomplishments signify a major advancement in our dedication to innovation, academic excellence, and research. These initiatives will support a culture of inquiry and discovery by giving our teachers and students excellent chances for research and development.

The Institution's Innovation Council, SS Khanna Girl's Degree College (SSKIIC) has been rated with 4 stars by the Ministry of Education's Innovation Cell, AICTE at the IIC Annual Performance report 2023-24.
